Description	Gilbert Grape (Depp) lives in Endora, a place where nothing much happens. The only time the local police have anything to do is when Gilbert's autistic brother Arnie (DiCaprio) tries to climb up the watertower. Taking care of Arnie is mostly Gilbert's task, which is pretty demanding, at least while he's working at the local grocery store. Then one day Becky (Lewis) and her grandmother pass through Endora and hit some car trouble. Gilbert falls in love with Becky, but problems in his private life begin to pile up.
